Surface Shark™ Floor Stripper Bade Selection

Dual Beveled Blade

Application: General purpose material removal.

Notes: Narrow width increases productivity against difficult to remove materials. Dual edges double blade service life. Blade can be field sharpened.

Single Beveled Blade

Application: General purpose material removal.

Notes: Wider width increases productivity against easy to remove materials. Blade can be field sharpened.

Scoring Blade

Application: Remove glued carpet and sheet type linoleum.

Notes: Use only on concrete surfaces. Blade can be field sharpened. Flip blade over to score covering material to aid in removal.
